'You're never too young for a pension. That's the main thing I want to get across to my younger colleagues.' We spoke with Rudger in a video call about his first period as a new SPF Board member. Members' meeting in another way!

We would have loved to come back to you for the members' meeting, but due to the COVID-19 pandemic, we sadly won't be able to. Instead, we have recorded a video of the session.

Watch the video to listen to two of our Board members, Giselle Verwoort and Léon Jacobs, explain how SPF is organized, who is active at which management and administrative bodies, and what working at the Board involves. Of course, they will also talk about the results achieved by our pension fund in 2019. They also show how SPF developed in the first six months of 2020.

Please visit the video [here](#).

The convenience of 'My SPF Pension' and digital SPF mail

The new website and 'My SPF Pension' environment are live! If you live in the Netherlands, you log in with your DigiD. The DigiD app is the most handy. Because two-way authentication will become compulsory wherever you log in we have already set this up now for your safety. Two-way authentication means that if you log in via your DigiD with your login name and password, you will also need to enter a code sent by SMS.
